VDO

## VDO SMARTTERMINAL - DTCO 4.0 READY

- Seneste generations stationære læser til DTCO 4.0-data
- Kompatibel med alle generation 1 & 2 kort og Download Keys
- Datatransmission via WiFi, LAN eller USB (også som en enkeltstående løsning med dataoverførsel via USB-stik)
- Overholder de juridiske krav til læsning og arkivering af chauffør- og køretøjsdata
- 7" skærm med Touchskærm i et moderne design
- Enkel installation på væg eller bord i ethvert rum (f.eks. i kantine eller chaufførstue)
- Pålidelig databeskyttelse og sikkerhedskopiering af data
- Stort set ubegrænset hukommelse til chauffør- og køretøjsdata (32 GB intern hukommelse)
- Med mulighed for tyverisikring (ved f.eks. en Kensington lås)

## Systemkrav

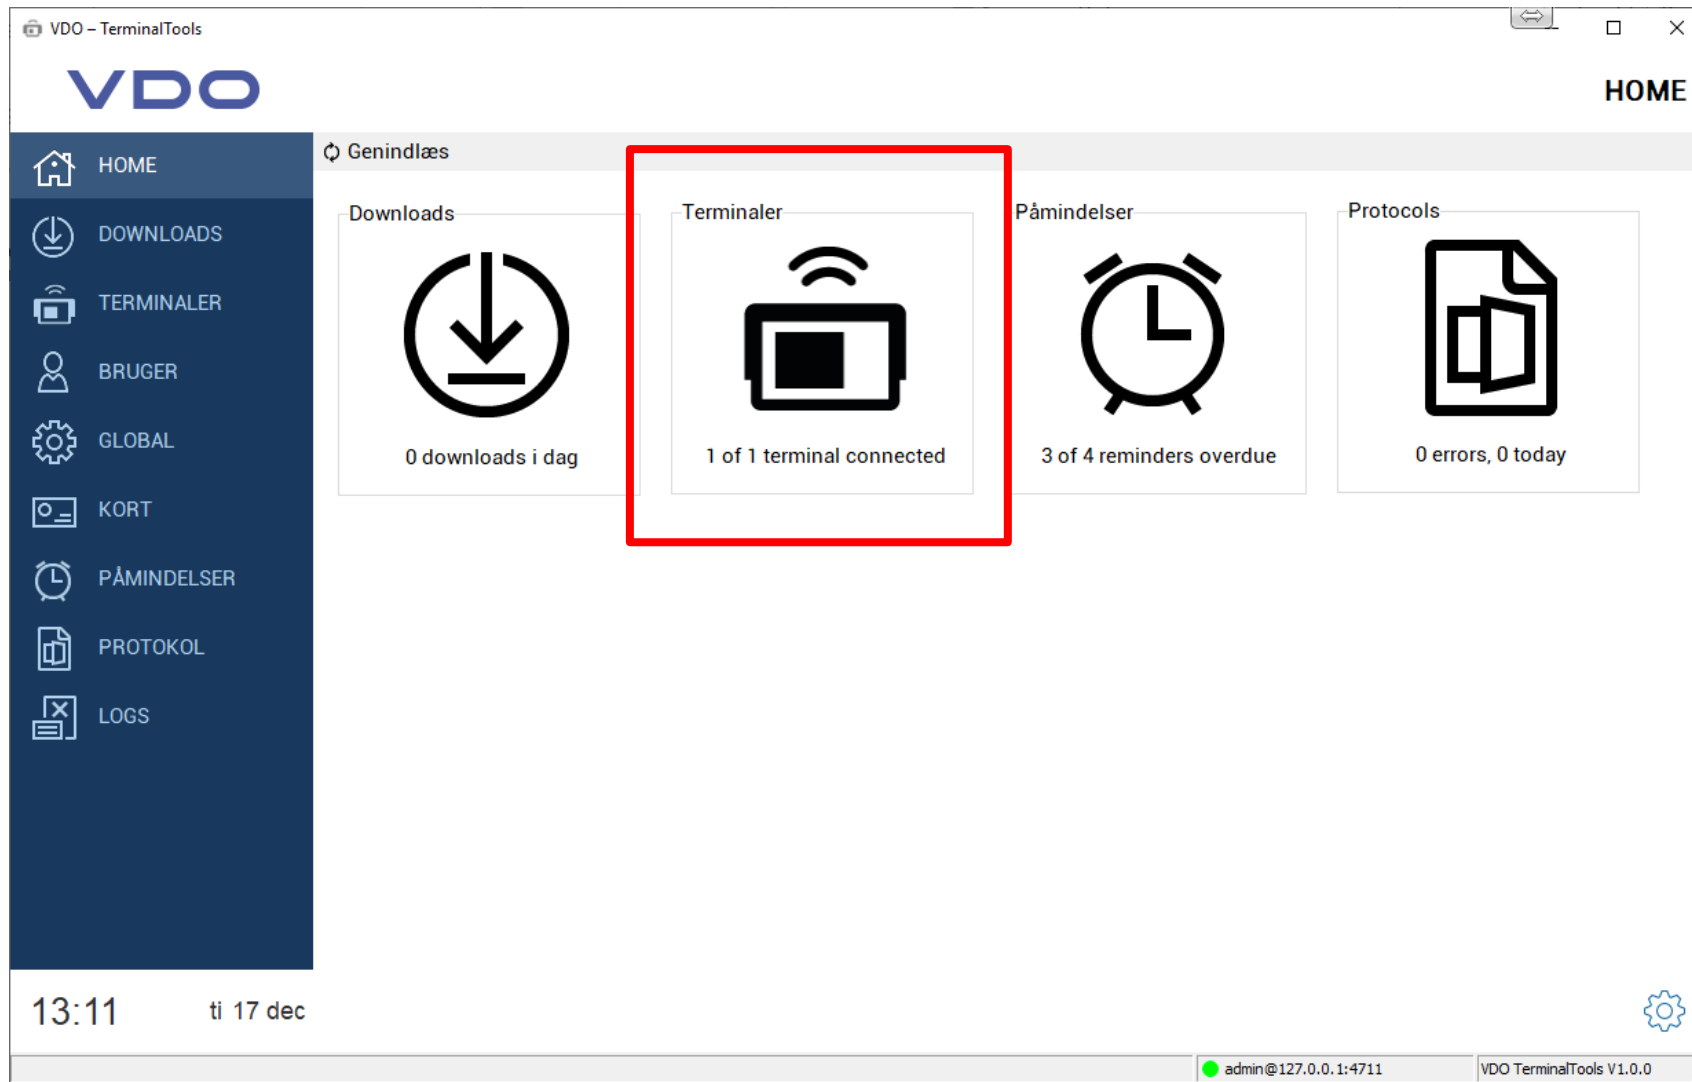

---

- Windows® 10, Windows® 8 or Windows® 7, med seneste service pack
- Windows® Server 2019, 2016, 2012
- 1 ledig USB port eller netværksforbindelse
- Processor: min. 1.5 GHz
- Ledig plads på harddisken, ca. 1 GB
- 2 GB RAM Hukommelse

# VDO TerminalTools

**VDO**

The screenshot displays the VDO TerminalTools web application. The interface includes a sidebar with navigation options: HOME, DOWNLOADS, TERMINALER, BRUGER, GLOBAL, KORT, PÅMINDELSER, PROTOKOL, and LOGS. The main content area is titled 'TERMINALER' and features a table of terminal entries. A red box highlights the 'Rediger terminal' button in the top toolbar. Below the table, a red box highlights the 'INFORMATION OG TILSTAND' tab. The configuration form shows the following details:

Navn	Enheds-id	Status	Forbindelse	Seneste download	Uploaded
Test	001B99240113	Ready	USB-kabel	10-12-2019 13:51:...	Ja

Configuration details for the selected terminal:

- Enheds-id: 001B99240113
- Navn: Test
- Forbindelse: USB-kabel
- Connection-Parameter: COM4

Additional options include 'Tilstand' and 'Muligheder for upload'. The bottom status bar shows the time '13:11' on 'ti 17 dec', the user 'admin@127.0.0.1:4711', and the version 'VDO TerminalTools V1.0.0'.

The screenshot shows the VDO TerminalTools application window. The title bar reads "VDO - TerminalTools". The main header area contains the VDO logo and the word "TERMINALER". Below the header is a navigation bar with icons and labels: "HOME", "DOWNLOADS", "TERMINALER", "BRUGER", "GLOBAL", "KORT", "PÅMINDELSER", "PROTOKOL", and "LOGS". The "TERMINALER" section is active, displaying a table of terminal entries. The table has columns for "Navn", "Enheds-id", "Status", "Forbindelse", "Seneste download", and "Uploaded". One entry is visible: "Test" with "Enheds-id" 001B99240113 and "Status" Ready. Below the table is a navigation bar with tabs: "INFORMATION OG TILSTAND", "PARAMETRE" (highlighted with a red box), "FORBINDELSE", "DOWNLOADS", and "PROTOKOL". The "PARAMETRE" tab is selected, showing a form for terminal settings. The form has a "Generelt" section with fields for "PIN-kode" (0000), "Standardsprog" (Britisk engelsk), and "Format for DTCO-filnavn" (Normal). There are also expandable sections for "Dato/klokkeslæt", "Diverse", and "Pauseskærm". The bottom status bar shows the time "13:12" on "ti 17 dec", a user indicator "admin@127.0.0.1:4711", and the version "VDO TerminalTools V1.0.0".

Below the table, there are tabs for 'INFORMATION OG TILSTAND', 'PARAMETRE', 'FORBINDELSE', 'DOWNLOADS', and 'PROTOKOL'. The 'FORBINDELSE' tab is selected and highlighted with a red box. A dropdown menu is open under this tab, listing options: '» Generelt', '» USB-kabel', and '» Network configuration'. This menu is also highlighted with a red box. The interface includes a sidebar with navigation options like HOME, DOWNLOADS, and BRUGER, and a footer with the time '13:12 ti 17 dec' and system information.

The screenshot shows the 'TERMINALER' interface in VDO TerminalTools. A table lists terminal details for 'Test'. Below the table, the 'FORBINDELSE' tab is active, showing network configuration options. A red box highlights the 'Network configuration' section, which includes a checked 'DHCP' option and an 'IP-adresse' field set to '000.000.000.000'. Other fields include 'Standardgateway', 'DNS-Server', 'Dataport', and an unchecked 'WLAN' option.

VDO TerminalTools V1.0.0

The screenshot shows the VDO TerminalTools web interface. The top left features the VDO logo and a navigation sidebar with options: HOME, DOWNLOADS, TERMINALER (selected), BRUGER, GLOBAL, KORT, PÅMINDELSER, PROTOKOL, and LOGS. The main header includes the title 'TERMINALER' and a toolbar with actions like 'Genindlæs', 'Ny terminal', 'Rediger terminal', 'Slet terminal', and 'Forbindelse'. Below this is a table listing terminal entries:

Navn	Enheds-id	Status	Forbindelse	Seneste download	Uploaded
● Test	001B99240113	Ready	USB-kabel	10-12-2019 13:51:...	Ja

Below the table, there are tabs for 'INFORMATION OG TILSTAND', 'PARAMETRE', 'FORBINDELSE', 'DOWNLOADS', and 'PROTOKOL' (selected). The 'PROTOKOL' tab shows a log of terminal activities with columns for 'Dato', 'Titel', and 'Besked'. The log shows a series of 'Download new successful' events, each followed by 'Download started' and 'Download new successful' events. The 'Besked' column contains the text '0 of 0 files (0 exists, 0 warnings, 0 errors)' and 'new'. At the bottom of the interface, the time '13:13' and date 'ti 17 dec' are displayed, along with a status bar showing 'admin@127.0.0.1:4711' and 'VDO TerminalTools V1.0.0'.
